

# TVU Global Roaming

## Service that goes beyond data cards

TVU's global roaming data cards cover more than 100 countries.

TVU has local partners in over 60 countries that can provide on-location support. TVU also provides 24/7 customer support.

TVU includes 3 full hours of data card roaming per month.

TVU provides 6 data cards from an internationally recognized carrier for global roaming.

**Billing  
Transparency**

TVU bills for data use based on hours and not bits so that you can better manage and control your costs and avoid data overage surprises.
